SECTION II - PROJECT DESCRIPTION

3) **Please describe the purpose and intent of the grant.**

This is a city-wide event which will benefit the constituents of each and every Neighborhood Council. We are planning this with endorsements of the Mayor, LA City Fire Dept and EMD for a city-wide event The grant we are seeking will be used for costs associated with the 4th Annual Greater Los Angeles Safety and Preparedness Fair which will take place on November 13, 2022 at The Green Lot in Exposition Park. The purpose of the fair is to make it as easy as possible for community members of all ages to tap into educational resources and learn about personal and home safety, and about disaster preparedness for incidents such as earthquakes, wildfires, pandemics – singularly or at the same time. The fair will include keynote speakers, plus other presentations and hands-on training sessions (including “stop the bleed”, CPR, proper use of a fire extinguisher, and pet first aid), as well as presentations and activities specifically for children. Our goal is to encourage community members to prepare for, learn how to survive, and to thrive after a major disaster, even when emergency services are overwhelmed and potentially unable to respond to individual emergencies for days and even weeks afterward. We hope to attract 8,000-12,000 attendees from all parts of Los Angeles.

4) **How will this grant be used to primarily support or serve a public purpose and benefit the public at-large.**

(Grants cannot be used as rewards or prizes for individuals)

The 4th Annual Greater Los Angeles Safety and Preparedness Fair is in part an outgrowth of the Mayor's Resilient LA Plan but is mostly out of a desire of the organizing team to encourage our fellow Angelenos to prepare in advance for an unpredictable but inevitable major earthquake and the very real possibility of such a disaster occurring while our medical and emergency services are overwhelmed by the needs caused by the coronavirus. We hope that not only will individuals learn to care for themselves and their families, but also learn to come together with neighbors when the need to help each other and to collaborate is at its greatest. The funds will be used to pay for the infrastructure costs of putting on a fair (stages, tents, tables, chairs, sanitation package). Funds will also be used for graphic design and the cost of printing a first-aid guide, a “help/ok” sign and certain other educational materials which will be distributed to attendees. Attendees will take home a go bag with essential supplies needed to help them get started in their own home preparation. With Neighborhood Purpose Grants and other sponsorships, we will be able to present all of this to attendees free of charge.

**RE: Greater Los Angeles Safety and Preparedness Fair
Endorsement from Los Angeles Mayor Eric Garcetti**

Dear Preparedness Fair Team:

Thank you for all of your work to help make the City of Los Angeles (City) better prepared and able to deal with and recover from the many shocks and stresses facing our city. Recent catastrophes around the world are serious reminders that every community needs focused resilience strategies and emergency preparedness resources. Even as we learn to manage and deal with a global pandemic, we have existing and anticipated shocks for which we need to be ready.

In Los Angeles, we know a major earthquake is a matter of when, not if. Additionally, the effects of climate change are worsening, wildfire season is year-round, and the challenges for our most vulnerable populations only increase as they are disproportionately impacted by any disaster we confront. In fact, FEMA recently ranked Los Angeles County as the **highest** disaster risk of any other county in the nation due to our density, diversity of risks, and ongoing challenges.

Providing resources and information and helping communities be more prepared — especially for our most vulnerable neighborhoods — is among the City's highest priorities. The emergency preparedness events that you have previously organized and the Citywide Emergency Preparedness Fair you are now putting together is an essential component of our city's resilience strategy and public safety work.

As Mayor of Los Angeles, I wholeheartedly endorse and support your efforts. My office is able to assist with whatever you might need to make the event as expansive and impactful as possible for the City's residents. Thank you and keep up the amazing work.

Sincerely,

ERIC GARCETTI
Mayor

Greater Los Angeles Safety and Preparedness Fair
Organizing Team

Letter of Endorsement

Dear Cynthia and Cindy:

The Los Angeles Fire Department (LAFD) would like to thank you for your continued efforts and commitment to providing for the welfare and resiliency of the residents of Greater Los Angeles.

Please accept the LAFD's endorsement and commitment to our mutual goal of enhancing the preparedness of the City of Los Angeles, and our full support of:

The 4th Annual Greater Los Angeles Safety and Preparedness Fair

To whom it may concern:

Imagine a major disaster in our amazing City of Los Angeles. We all want to enjoy our great weather and beautiful scenery, but virtually no one wants to think about the possibility of a major earthquake or other disaster befalling our great city. As a result, far too many of our residents are not prepared. The goal of the 4th Annual Greater Los Angeles Safety and Preparedness Fair on November 13th is to educate as many Angelenos as possible about potential hazards they may face and to train them how best to prepare to keep themselves, their families and their neighbors safe.

This event is being organized and produced by a dedicated team of community volunteers that have put on two previous in-person safety fairs in West Los Angeles and one virtual fair. The LAFD, along with the LA Emergency Management Department (EMD) and the Los Angeles Police Department (LAPD) – partnered with the fair organizing team on each of the three previous safety fairs. At LAFD's urging and with our full support, the organizers have moved the 2022 safety fair to a large central Los Angeles venue – the Exposition Park Green Lot -- in order to make it accessible to residents throughout the Greater Los Angeles area. We are confident that approximately 10,000 Angelenos of all backgrounds and ages will attend this event.

***The Los Angeles City Fire Department enthusiastically endorses
and supports this event.***

LAFD is working hand-in-hand with the organizing team to make this event as highly successful as their prior safety fairs. As such, the LAFD requests your-support of the event so that together with the fair organizing team we ensure the fair's utmost success.

For further information or to offer support per level of commitment, please reach out to me or contact fair organizers Cynthia Saffir (310) 694-1455 or Cindy Kane (310) 780-1804.

We hope you will consider lending your support to this amazing event.

We are grateful for this opportunity to work with and support the Greater Los Angeles Safety and Preparedness Fair Organizing Team.

Sincerely,

Rico A Gross, Captain II

Background

- FEMA DETERMINED THAT LOS ANGELES COUNTY IS THE MOST DANGEROUS PLACE TO LIVE IN THE US.
- The Fair was created in part as an outgrowth of the Mayor's Resilient LA Plan.
- The purpose of the fair is to make it as easy as possible for community members of all ages to tap into educational resources and learn about personal and home safety, and about disaster preparedness for incidents such as earthquakes, wildfires, pandemics – singularly or at the same time.
- Our goal is to encourage community members to prepare for, learn how to survive, and to thrive after a major disaster, even when emergency services are overwhelmed and potentially unable to respond to individual emergencies for days and even weeks afterward.

Who We Are

- We are a team of volunteers that previously produced two in-person safety fairs and one virtual safety fair in West Los Angeles www.safetyfair.org
- At the urging of the Disaster Preparedness Officer for the Los Angeles Fire Department, we agreed to expand this to a city-wide event
- Our key city partners in bringing this event to the City of Los Angeles are the L.A. Fire Dept., the L.A. Emergency Management Dept., and the L.A. Police Dept.

4th Annual Greater Los Angeles Safety and Preparedness Fair

- 100 informational booths
- Live presentations about keeping your home, your car and yourself safe from crime
- Hands-on training in “Sidewalk CPR”, Basic First Aid, Stop the Bleed, Pet First Aid, How to use a fire extinguisher
- Kids Zone with age-appropriate safety and preparedness presentations and activities
- Fire engines, police cars, K-9 Unit, LAPD Mobile Command Unit and more
- Emergency preparedness and first aid supply vendors
