However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Hi Ying,

We were never told that the price would go up \$10 each (\$150 per month). As you know our fiscal year is ending soon and we've allocated the fixed amount of \$202.50 for website services/email mailboxes to our budget we don't have the funds allocated for this.

We barely utilize the services that cost \$150 per month from WebCorner so I'd like to ask if you could kindly not charge us the \$13.5/mailbox for the month of May and June?

Once the new board seats in July and they finalize the fiscal budget for 23/24 then they can budget the new amount.

I'm happy to get on the phone to discuss with you or Rob.

Thank you for understanding and I look forward to your response.

Jaime

Hello Jaime,

We adjusted the rate for the email box from \$3.5/mailbox to \$13.5/mailbox from May.1 2023 because all emails will be/are in Microsoft 365. I am sorry that we did not inform you in advance.

Attached please find the monthly invoice and receipt for May 2023 in one PDF for your record.

Best regards,

Hi Ying -

I think there was a typo on our bill this month. The charge for the email mailboxes is \$52.50, not \$202.50. Why were we charge so much more this month? I'm attaching the previous invoice as reference. Please advise ASAP.

Thank you,

RE: Council File: 17-0046-S3

RepresentLA Program / Free Legal Representation / Removal Proceedings / Affirmative Immigration Relief / Detained and Non-Detained Deportation Defense / City Funds Allocation / Memorandum of Understanding / Amendment

Los Angeles City Council
200 N. Spring Street
Los Angeles, CA 90012

Via Email

Dear Councilmember Curren Price and Los Angeles City Councilmembers,

The Voices Neighborhood Council on June 13, 2023 voted ~~X-X~~ to SUPPORT, Council File 17-0046-S3 to support the motion to expand the use of RepresentLA funding.

South Los Angeles thrives as a vibrant neighborhood deeply intertwined with our immigrant communities, recognizing that our strength lies in our diversity. 33% of our city's population is foreign-born, with City Council District 9 boasting an even larger percentage at 43%. Within our community, many face daunting challenges and injustices, finding themselves either currently detained or at risk of deportation. RepresentLA has emerged as a beacon of light and hope, offering vital legal representation to immigrants, ensuring their voices are heard and their right to due process is safeguarded.

Immigrants possess an entrepreneurial spirit and play an indispensable role in bolstering our city's economy. The economic vitality of South Los Angeles relies heavily on small businesses, many of which are established by immigrants. These businesses not only create jobs but also serve as social hubs for local residents, particularly our youth. Moreover, when a family member faces deportation, it inflicts a significant blow to their family's income and increases their risk of becoming unhoused. By providing immigrants with access to legal representation, we can ensure their continued ability to enrich our community's economic fabric and halt the systemic impoverishment of working-class communities of color.

Expanding funding to additional legal services through RepresentLA aligns perfectly with Voices Neighborhood Council's commitment, as well as our city's steadfast dedication, to fostering a safe, inclusive, and equitable community. We urge you to lend your support to this motion, enabling us to ensure that undocumented members of our community receive the representation they direly need.

Thank you for your attention to this issue. We are eager to continue to work alongside you on this issue.

Sincerely,

Emmanuel Alcantar, Education Representative
